

Gigi the giraffe and Zachary the zebra are off on another adventure! This time they're on the hunt for the perfect job. Wherever they go, they find lots of interesting occupations, and each page of their colorful job is a search-and-find game! Young readers are challenged to spy more than 300 objects hidden in plain view in these richly detailed panoramas. As they look for the graphic designer at the book publishers, the hydraulic lift at the service station, and the astronaut at the space center, they will learn new words and get a playful introduction to all sorts of careers.
