

Sight Words Verbs Level 2: A Sight Words Book for Kindergarten, Grade 1 and Grade 2 teaches your child sight word verbs in three easy-to-use word sets. This book contains 50 sight word verbs and is the second of two books focused on important verbs. As educators have found that teaching only a few sight words at a time is the best way to increase success, the book includes 3 sets of words, allowing your child to work through and master one set at a time or work through all the sets in sequence. The book features a charming character, bright colors and large, bold text to help make the learning process fun. Look also for our other Sight Word Books!
