

Does it seem as if your life is always evolving in an ongoing circle and cycle of sometimes negative and untimely and unwanted events? Up now for a season, down after a while.....same cycle over and over and over again....Have you ever wondered...What am I doing wrong? What is it that I am contributing to my life that is causing this perpetual cycle? How do I stop the madness? Am I displeasing to God? If these are some of the questions that you have often asked yourself, there is great hope for you as we unlock some very factual and pertinent truths that may be very well affecting not only your life, but the life of your loved ones and all those that are around you. In this text, we will take a look into our lives and take a moment of truth to 1) admit that there is truly a problem....a problem is not accurately deemed a problem unless there is a solution, 2) I am not able to control the past events in my life, but I can change the outcome of the upcoming ones & 3) I am willing to take a long hard look into the deeper sense of revelation of who and Whose I am.It is true that Jesus Christ is the Savior of the world, but there are some actions that we must take as believers that will ensure our success in our walk of Christianity that will in turn win over the nonbeliever unto our Christ (he that winneth souls is wise). We will learn to walk in the revelation of Who our Christ is, who He is to us and what He expects of us. We will take a journey and discover some of the hidden reasons that we seem to always be in warfare every time we turn around. You see, the enemy of our souls, the devil, doesnt care that we exist, he simply doesnt want us to exist and live in the revelation of who God our Father says that we are and NEVER to find out that we have ALL POWER over him and all of his thoughts, perceptions, weapons and tactics! Yes, he is ultimately powerless to us when we truly know who and Whose we are!!! So, sit back and relax, grab a pen....oh yes, you have some homework to do by way of an exercise within this text....and lets take a look at our lives and lets move into the dimension that we exist in as of now and lets allow the Spirit of Truth to shift us into a place that was always intended for us from the very beginning before time itself! I am excited about your future because the enemies that you have seen and their warfare up unto this point in your lives....you will NEVER see them again from this day forward!!!! I decree and declare that you have victory in Christ Jesus and that you walk in all power and authority in His awesome and wonderful name!!!
