

Childrens Author, Madison Matthews, is pleased to present her new picture book for kids. Children's Book About Horses: A Kids Picture Book About Horses with Photos and Fun Facts is a fascinating, educational book for children which contains many colorful images and interesting facts about horses. Kids will learn all about the different classifications of horses and what makes them so special. The information is broken up into different short sections that will encourage your child to explore, read and learn on their own. Each chapter contains its own set of facts and cool pictures. The writing is fun and lively as well as educational. The vivid images of horses and other related photos will draw your child into their amazing world and will keep them coming back for more. At the end of each chapter are more fun facts. This invites further learning with added information about the topic, allowing your child to gain even a higher level of understanding. Children's Book About Horses contains vivid images for each chapter so your child can visit up close with these in a fun and educational format. The images are highly detailed providing you with a fantastic, educational opportunity, giving your child a clear look at horses that they may never otherwise experience. This book is truly a great way for children to explore, learn and to have fun while they dive into the world of horses. This educational book will spark their interest and keep them coming back for more.
